health is inner peace healing involves an understanding of what the illusion of sickness is for healing is impossible without this from a course in miracles identification with the body as our home is the origin of all our physical and psychological suffering whilst we desire to remain separate from our true spiritual identity we create sickness to reinforce our belief in the reality of the body to re-experience god's love joy and peace we need to begin the process of forgiving ourselves and others this will allow the presence of spirit to enter into our mind and heal it the cause of all disease lies in the mind and not the body disease is a shadow on the body of the guilt in our mind as we practise forgiveness the truth of who we really are will dawn upon our minds and we will discover our true home which we never left michael dawson's inspiration for writing this book comes from his study and teaching of a course in miracles healing the cause can be read as an introduction to a course in miracles especially with regard to its teachings on sickness healing forgiveness and prayer
